

Drive-Up Food Distributions

What is a Drive-Up Distribution?

These events provide individuals and families with at least 40 pounds of food in one or more pre-packed boxes. Food is loaded into your trunk or vehicle once you come through the distribution line.

Who qualifies for assistance?

There is no required proof of eligibility and anyone is eligible for food. Your information will only be used to provide you food and help us improve your service. This information is subject to change.

What if I don't have a car?

For the safety of those at the event, walk-ups are not permitted at drive-up distributions. If you do not have a vehicle, you may have another individual drive you to pick up food.

Each household must complete a reservation to receive food. The same car and license plate can be used up to three times for the same event. There are no exceptions to one reservation getting one share of food. For one car to get two or three shares of food, the car must have more than one family or household.

How do I make a reservation?

Go to pittsburghfoodbank.org/get-help/drive-up/ or call the Food Bank at 412-460-3663, ext. 655. Reservations open 4 weeks before each event and close at 5 p.m. the day before the distribution. **The car's license plate number is required at the time of making a reservation.** A limited number of extra food shares will be available for those without a reservation on a first come, first served basis. A reservation is the only way to guarantee you will receive food.

Where is the distribution?

See reverse for the full list of locations and dates. Most sites are served once per month.

Please follow these guidelines:

Individuals attending the distribution must stay in their vehicles at all times. This will help us maintain six-foot social distancing. Leaving cars to socialize is prohibited.

After pulling into "distribution row", put your vehicle in park and unlock your trunk or back-seat for food to be loaded. Volunteers will not load food into vehicles until they are in park.

Please wear a mask covering your mouth and nose when interacting with Food Bank staff or volunteers.

SNAP (food stamps) can help you buy food. Call or text us for help applying.
