

DO YOU OWN A FARM OR FORESTED LAND IN THESE MUNICIPALITIES IN THE BUFFALO CREEK WATERSHED?

Funding is available to help farmers and forested landowners to implement conservation practices such as:

- Cover crops
- Streambank stabilization
- Invasive species management
- Pollinator plantings
- Manure storage
- Upland and riparian tree plantings
- And much more!

Interested agricultural producers and forested landowners should contact Audubon Society of Western Pennsylvania or their local Conservation District for more information on how to apply for financial assistance under this USDA/NRCS Regional Conservation Partnership Program.

MUNICIPALITIES

Armstrong County:
 East Franklin, Freeport, North Buffalo, South Buffalo, Sugar Creek, West Franklin, and Worthington.
