

BUFFALO TOWNSHIP

MS4 STORMWATER PROGRAM UPDATE

August 10, 2022 Township Meeting

Over the past month the following Stormwater Program Activities have occurred:

1. Pollutant Reduction Plan easement acquisition is ongoing. Four easements have been obtained in the Coe Street area.
2. Pollutant Reduction Plan Improvements are being evaluated and construction cost estimates are being prepared for utilization in the Butler County Municipal Infrastructure Program Grant Application.
3. The stormwater system and MS4 outfall location map, Bankson Engineers, Inc. Drawing Number 5-701-43-1, is being updated.
4. Announcement of Audubon Society Stormwater Workshop to be held September 29, 2022.

**Subject:** Stormwater event

Good Morning,

I just wanted to reach out and let you know that we will be hosting a stormwater best management program on September 29, 2022 from 6:30 to 8:00 pm at the Buffalo Creek Nature Park. We would like to invite you to also be a part of the program, if that would help you meet some of you MS-4 requirement. Please see the link below for more details.
